

NORTHERN VIRGINIA CHAPTER – AHDI
SPRING SYMPOSIUM

What are you doing on Saturday, May 8, 2010?

You are invited to come and celebrate spring with the Northern Virginia Chapter on Saturday, May 8, 2010 at INOVA Fairfax Hospital.

Registration starts at 8:30 a.m. After a chance to network with other MTs, Peter Preziosi, CEO of AHDI and MTIA, will be our first speaker. Peter's presentation will earn you 1 PD credit. We also have a wonderful opportunity with Betsy Ertel of SpeedType. Once registered for the event, you will be given the web address to download software on your laptop for use during this 2-hour interactive presentation. Don't have a laptop? You will still benefit from Betsy's Power Point presentation. This is an opportunity to earn 2 MT Tools CE credits. We'll also have the opportunity to earn 2 clinical medicine credits.

Do you have old medical reference books that you no longer use? If so, bring them along and donate to our "Gently Used" book auction. This is a great way for students to build their reference library. We'll also have door prizes and a 50/50 raffle.

We'll also have some vendors: Tupperware, Mary Kay, and Pampered Chef. Check out your make-up and kitchen needs and pick up items you need.

We have reserved a block of rooms at Homewood Suites Hilton in Falls Church. The hotel offers free shuttle service to the hospital. See the attached sheet to see the other amenities offered. Reserve your room by April 15 to take advantage of these great prices: \$89 for a bedroom suite with a King size bed and hide-a-bed; \$99 for a bedroom suite with 2 Queen size beds.
